

End of Support Notice: iOS 6

Summary

The AppDynamics iOS Agent will no longer officially support iOS 6. This change is effective starting in version 4.5.2 of the AppDynamics iOS Agent.

Affected Software

Customers running applications on iOS 6.

Impact

Although you can still instrument iOS 6 applications with the iOS Agent, AppDynamics will no longer be testing, fixing issues related to iOS6, or providing customer support.

Resolution

Upgrade to iOS 7 or higher.
